

Redol

ARAGON'S REGIONAL HUB
FOR CIRCULARITY

GIVING A NEW LIFE TO SOLID URBAN WASTE

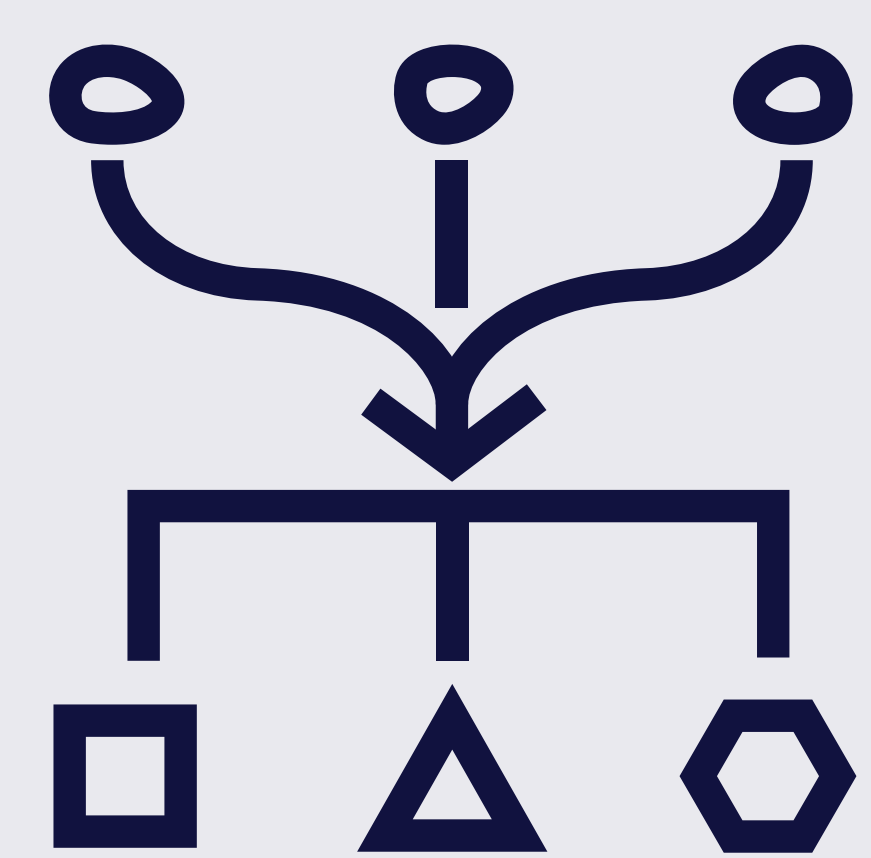

to reach a full circular economy
by 2030

Redesign 5 value chains

Packaging, Plastics, Construction and Demolition Waste,
Textiles, Waste from Electrical and Electronic Equipment

Improve collection,
sorting and recycling
to obtain circular products

Involve communities
and key players

Ensure replicability
around Europe

From Zaragoza to Prato, Amsterdam and Bornholm
